**Quarterly List of Programming Responsive to Issues of Community Concern
First Quarter 2016
April 10, 2016**

In our ongoing effort to serve the public interest, Station KSOC-FM broadcasts programming responsive to issues of concern to Dallas/Fort Worth Metroplex and its listening public. Following is a brief description of those issues, and of the station's most significant programming treatment of them:

Issues of importance this quarter included the following:

Category 1 – Education – This is an ongoing mission to inform our listeners about the many no to low cost options to improve their educational status.

Category 2 – Healthcare – With the rising number of healthcare issues in the African American community, healthcare is a constant concern that is addressed.

Category 3 - Arts & Culture- There is a large arts and cultural community in the DFW metroplex. The various art & culture programs are discussed to educate our listeners about their heritage as well as a means of providing our youth with a positive option and an outlet to the freedom of expression - through the arts.

Category 4 - Community Programs & Services – It is our mission to inform our listeners about the programs & services available for them to improve their livelihoods.

Category 5 – Violence & Crime – With the state of our Nation and our city many concerns and issues were addressed regarding crime prevention and safety.
